

HERE'S THE SCOOP

EVENT SCHEDULE

Your Houston Fan Cruise experience is a fun blend of everything you love about sailing on Carnival with a splash of Astros-themed fun added to each day. Join us for as many or as few events as you want. There's no wrong way to vacay.

The best part of this cruise isn't the free swag or our lineup of programming, but the people you'll meet. Get out there and talk to a stranger wearing a Fan Cruise Lanyard! You just might make a friend for life.

GROUND RULES

- Choose to be kind. Celebrate what we have in common as Astros Fans and leave the negativity in Galveston.
- Be considerate of the Crew and the other passengers on the ship.
- Have fun!
- Carnival does not allow any soliciting or advertising of our group while onboard. Please don't pass out anything that advertises our group. This includes tags on hidden ducks.
